*Sapana talks about Puttenahalli Lake*

*The interactive session kept the children busy*

PNLIT's OP Ramaswamy gave a vote of thanks to Snehadhara and everyone and asked if PNLIT should organize more of such sessions. Of course, everyone wanted more.

We sold PNLIT magnets, wristbands and keychains to the kids while the adults wondered why not have these events for adults too!

*PNLIT goodies on sale*

And we keep the PNLIT boat rowing and moving and hoping that more new faces will join us in these events to spread the idea of taking care of our neighbourhood and its resources.

*Reported by Sapana Rawat, PNLIT volunteer*

*Pics by OP Ramaswamy, Nupur Jain*

\*\*\*\*\*

Special thanks to Sapana for coordinating the event and to the Snehadhara team for conducting it.

Winner, Citizen Group - PNLIT

**Bangalore lake news**

[What can our MPs do to protect](#)

Citizen Matters, Bangalore (blog)  
Lake boundaries and fencing, sewage inflow, dry inlets, garbage dumping, encroaching hutments, weeds, funding for restoration and maintenance... These are some of the problems faced by Bangalore's lakes. And these are problems that could be solved by ...

[Compare Bangalore Central](#)

Citizen Matters, Bangalore  
Bengaluru Central comprises of Rajajinagar, Chamrajpet, Gandhinagar, Shivajinagar, Shantinagar, Sarvagnanagar, C V Raman Nagar and Mahadevapura assembly constituencies. ...  
Bangalore Central has Bellandur lake - Bangalore's biggest lake.

[Checking out election campaigning at](#)

Citizen Matters, Bangalore  
Major Aditi, campaign manager for V.Balakrishnan, the Aam Aadmi Party's hopeful from Bangalore Central, told me I could join them at Ulsoor Lake at 7 am. Lo and behold, along with AAP topiwallahs, I found a host of Congress supporters gathered too.

[Blog: Like a Lake](#)

Citizen Matters, Bangalore (blog)  
The linking of a waste-water treatment plant, a wetland and lake ecosystem could be one method of keeping our lakes full and recharging
